

The Scrap Book (volume 1) Sampler

**18 works -- two non-fic articles & one short fiction or poetry each -- from issues March, April, May, June, July, & August 1906 of The Scrap Book, Volume 1, edited by Frank Munsey. As he states in the editorial of the April 1906 issue (Vol 1, Iss 2) this was a sort of supplement to the editor's popular monthly, [Munsey's Magazine](#). The Scrap Book is very like an American version of Punch with many short, often humorous articles interspersed with at least one short story, some poetry, and several longer non-fic pieces. The Scrap Book ran up to 1922.(Summary by BellonaTimes)**

**Read by Bellona Times. Total running time: 5:23:27**
